VOL. XLIII — SONOMA, SONOMA COUNTY, CAL., JULY 16, 1921 — NO. 46

SONOMA DEPOT ROBBED AND ARREST FOLLOWS

Deputy Sheriff Takes Thomas Blynn Into Custody and Finds Loot on Him.

Tuesday night the Northwestern Pacific depot here was entered and burglarized. Deputy Sheriff Joe Ryan, who has a burglar alarm connection with the depot, was aroused and was soon on the scene. He took into custody a man giving the name of Thomas Blynn, thought to be an alias. The freight office had been broken into and from there entrance effected into the ticket office. No attempt was made to blow the safe, but the till was tapped and yielded only pennies. In the freight office the trunks of the Will Cummings' family were rifled and jewelry stolen. This loot was found on Blynn when searched, and also skeleton keys, a jimmy and other incriminating evidence.

The robbery occurred about two o'clock in the morning and the deputy sheriff was assisted in making this arrest by Harry Fine. Armed with a sawed off shotgun and automatic, they made their way to the depot where they expected to find the burglar and a confederate at work. When Blynn emerged from the building, they opened fire on him and he immediately begged for mercy and surrendered. A search of the depot showed that the robbery was a one-man job.

The burglar was taken to the county jail Wednesday by Deputy Sheriff Ryan and his record is being probed.

Fred Raschen, brother of Henry Raschen, who kept the Union Hotel here some thirty years ago, passed away in San Francisco this week. He leaves a widow, formerly Eloise Pauli Eaton, t

T. Ryan has been visiting at the Millerick home

VALUE OF FIRE DEPARTMENT IS WIDELY RECOGNIZED

The second payment on the "Valley of the Moon Angel," Boyes Springs' new chemical fire engine, will shortly fall due. Chief George Cause and other members of the fire department will be out to collect funds in the near future, and the public is requested to be like the engine, "always ready to respond." That the people of Sonoma Valley will do so, goes without saying.

The value of the fire engine to Sonoma Valley is recognized everywhere. The State Home at Eldridge, which has called on Boyes Springs for help several times of late, will seek some state aid to furnish material to the department, which is so prompt to protect the property of the state situated in Sonoma Valley.

The following letter gives some idea of the appreciation of the service being rendered by the firemen:

San Francisco, Cal., July 11, 1921.
Boyes Springs Volunteer Fire Department, Boyes Springs, Calif.

Gentlemen:—This company wishes to extend to your organization its thanks and appreciation for the valued services which you rendered a short time ago, during the fire in the neighborhood of Boyes Springs. Through the good efforts of your department a number of our poles were saved, and we can assure you that we are not unmindful of the courtesy extended to us.

With best wishes for the success of an organization engaged in the work that you are doing, we are,

Very truly yours,
California Telephone & Light Co.,
W. P. FERGUSON,
General Manager.

Mr. and Mrs. Wolf (Helen Kerner) and pretty baby girl have been visiting at the Al. Kerner home.

Dr. Tony Nufer, veternarian, has joined the motorists of the valley and now drives a classy car.

REPORT OF ROAD WORK IN MOUNTAIN CEMETERY

By R. C. Specht

During the past year a sum of money was donated by the citizens of Sonoma Valley for the improvement of the roads in Sonoma Mountain Cemetery.. The following is a summary of the work done and the cost of same. The work was carried on from February to July of this year.

There was about 700 feet of new road built extending from the center of the cemetery to the Second Street East entrance. The greater portion of this road was built through a mass of boulders and the remainder had to be brought up to grade requiring a rock wall.

Five hundred feet of old road was regraded, widened, drainage ditches dug and necessary culverts installed.

One thousand feet of old road was lightly repaired, including necessary ditches and culverts.

A new double iron gate for autos and pedestrians, set in cement, installed at the Second Street East entrance.

Two circular terminals established of sufficient circumference to allow the large hearse ample room for turning; one located near the center of the cemetery, and the other near the top of the hill.

Seven culverts installed; four of them being built in culverts of mountain rock and three of them 6-inch diameter pottery.

On Second Street East 890 feet of road near cemetery entrance was repaired, ditches of sufficient size to take care of drainage dug the entire length and necessary culverts installed. This street repair was taken care of by the City of Sonoma.

The new roads referred to above opens up a second entrance to the cemetery.

The following is a statement showing how money was spent:

Amount donated	$ 799.50
Amount spent	$1066.24
Balance on hand (donated)	$17.50

Itemized Expenditure Statement

Labor, general	$573.84
Labor, powder man	348.75
Labor, total	$922.59
Teaming	30.00
Blacksmithing	6.40
Supplies	60.75
Supervision	40.00
	$1059.74
Plumbing work donated by J. C. Marcy	7.50
Total	$10.66.24

The above statement shows that 90 per cent was spent for labor, 6 per cent for supplies and 4 per cent for supervision.

CITY CLERK GOTTENBERG HAD FINE VACATION

City Clerk and Mrs. Hartley Gottenberg returned this week from Deer Creek Meadows in the Mt. Lassen country, where they had a fine outing, together with Mr. and Mrs. Will Appleton of Berkeley. The scenery and altitude made it a complete change, and there was excellent fishing. The Gottenbergs took some beautiful pictures while on the trip.

They traveled over 200 miles the day they came home.

GO TO COURT OVER OWNERSHIP

The troubles of two neighbors, F. Wedekind and A. F. Hopke, over the ownership of three vehicles on the premises bought by Mr. Wedekind from the Hopkes, was up for settlement in Judge Small's court this week. Attorney Cowan appeared for Wedekind and C. Barnard for Mr. Hopke.

Judge Small took the matter under advisement.

Rev. and Mrs. Henry Waltz of Livermore have been enjoying a vacation at their Fir Crag ranch above town. Mrs. Waltz has been ill, but is now better.

The Ladies' Aid of the M. E. church will meet on July 28th, instead of July 21st, at the church parlors.

Hall's Family Pills for constipation.

FIRE DOES DAMAGE IN RESORT SECTION

El Verano Swept by Menacing Flames Which Consumed Considerable Property Saturday Last.

A fire which started from the burning of grass on private premises and got beyond control, swept the resort section of El Verano last Saturday afternoon with disastrous results. The St. Francis Villa property lately sold to Mr. Spitzer had a five-room cottage, barn and other buildings burned, and the former French cottage, recently sold by Mrs. Dutil to Mr. and Mrs. Verdier, also suffered considerable damage. The Frederickson property was damaged several hundred dollars.

The Boyes Springs chemical responded promptly and did heroic work with the constantly filled big chemical tanks. The Sonoma fire engine arrived shortly afterwards, and when a well was discovered rendered fine service with two streams of water in addition to the chemical.

The losses are estimated as follows: St. Francis Villa, $4,000; French Cottage, $500; Frederickson's, $200. I. Mouyer carried an insurance for Spitzer, who failed to include the farm when having his property insured.

The man alleged to be responsible for starting a fire on his own place which caused the disastrous conflagration, was arrested. He is W. F. Higgs, who owns a small place in the vicinity. The authorities will prosecute him, so they declare.

The losses sustained by the owners of St. Francis Villa and the French Cottage fall heavy upon the fire sufferers, as they had just acquired the properties and had been living there just a few weeks. Spitzer has a wife and seven children.

VISITORS FROM SAN FRANCISCO

C. F. Healey of the San Francisco Fire Department's repair squad, has been up with his family, visiting at the Mouyer place, Verano. Mr Healey is one of the dependable city employees and keeps the big motor-driven apparatus running like a clock. He says, however, that when he goes on his vacation he never goes near a fire house nor wants to see a piece of apparatus. He hopes to some day retire to the quietude of such a place as our delightful Sonoma Valley.

AILEEN POULSEN MARRIED TO VALLEJO MAN

Miss Aileen Poulsen, former Sonoma telephone girl, and daughter of Mrs. M. Poulsen, was married at Napa on July 2nd to B. N. Bryant of Vallejo. The bride was attended by her sister, Mrs. Fiege, of Fruitvale, and after the ceremony the newlyweds left for a honeymoon down south. The groom is employed at Mare Island and upon their return will reside at Vallejo.

Mrs. Bryant has many young friends in Sonoma who will wish her much happiness.

PROMINENT FARMER UNDERWENT OPERATION

Ephraim Cutter, prominent orchardist and old resident of Sonoma Valley, underwent an operation for stomach trouble at the Crane Sanitarium this week. Doctors Thomson and Temple operated and the patient is doing as well as can be expected after his critical illness.

JOE WHITE OF VERANO IS NO SLACKER

Notice is hereby given that the name of Joe White, which appears in the list of slackers recently published by the government, is not Joe White of Verano. The Joe White listed as a slacker is numbered 181, while the order number of White of Verano on the card he carries is 8709. The Verano resident's real name under which he registered is Vincent White. "Joe" being his name for boxing contests. Sheriff Boyes and Deputy Sheriff Ryan will verify these facts.

Signed,
VINCENT "JOE" WHITE
Verano, Calif.

PUBLIC ADMINISTRATOR HANDLES BOSSE ESTATE

Public Administrator Frank Phillips, who has been handling the rich Bosse estate, has just turned over $300,000 worth of bonds and treasury certificates belonging to the late Christian Bosse, to the custodian of alien property in San Francisco. Cash to the amount of many thousands were deposited by Doctor Phillips in the banks of Sonoma county.

The fortune is to go to Bosse's aged mother in Germany, and when converted into German money will make her one of the wealthy women of that country.

The public administrator will shortly publish his semi-annual report which will show the amount of business which this official takes care of, and in a very efficient and praiseworthy manner.

CITY TRUSTEES MET

The City Trustees met in regular July session last Wednesday, Trustees Bates, Bulotti, Lindley and Dobbel being present. In the absence of Mayor Dal Poggetto, Fred Bulotti presided. The following bills were allowed and ordered paid: Gorrill & Gorrill, $1,328.12; Howe & Peters, $213.12; cemetery work, $197.49; R. Quartaroli, labor, $86; F. Canevari, labor and janitor fee, $42.62; Garry Bertoli, $3.85; R. Specht, $6; Pioneer Machine Works, $25; H. W. Gottenberg, $17; J. H. Albertson, $15; Sonoma City Water Works, $25; F. Clewe, $5.20; E. Cornelius, $10; S. Shocken, $9.

RETURNED HOME FROM DENMARK

Mr. and Mrs. Peter Rasmussen of Sonoma Valley, formerly of this city, who left last November for Denmark to visit relatives, have returned home and are receiving a most enthusiastic welcome from relatives and friends. They report a most delightful visit and reunion with relatives and friends, whom they had not met for many years, and they enjoyed every moment of their stay in Europe and traveled extensively. They are now here for a visit with Mr Rasmussen's brothers and will shortly return to their pretty ranch home in Sonoma Valley to again take up their life in the Valley of the Moon. Both look as if the trip agreed with them.—Petaluma Argus.

Former Sheriff Jack Smith died Wednesday at his ranch near Knight's Landing.

Mrs. Bush and daughter, Florence, of Berkeley have been visiting Mrs. Bush's sister, Mrs. E. E. Steiger, of Schellville.

Don't forget the dance and supper tonight at Pancrazi's, Glen Ellen.

ROBERT CARTER PASSED AWAY IN MINNESOTA

Robert Carter, son of Mrs. Mary Carter, and brother of the late Mrs. Hall, passed away at his home in Minneapolis this week from pneumonia. His death is very sad, coming as it did on the eve of his departure for Sonoma Valley, where he had just purchased an interest in the big orchard property south of town. His wife had already come from Minnesota and was in possession of the new home here when hastily summoned to the bedside of Mr. Carter.

Deceased was a representative of the Westinghouse Company in several states of the northwest, and besides his widow and other relatives, leaves two children by a former marriage.

RE-UNION OF CLASS OF 1919

The spacious R. A. Poppe home was the scene for a pleasant gathering last Saturday night, the re-union of the class of 1919 Sonoma High School, bringing together many old graduates.

There was card playing, music and refreshments until a late hour. The following day the classmates made up a congenial picnic party to White Sulphur Springs. Those who attended were: Louise Anderson, Portia Harrison, Norma Jansen, Zolita Bates, Laura Wickham, Margaret Camprata, Wallace Rankin, Steve Duhring, Meryl Bish, Stewart Potter, Frank Cornwall and Don Cameron.

OPERATIC STAR TO APPEAR FOR ST. FRANCIS BENEFIT

Next Friday night the benefit vaudeville entertainment for St. Francis' building fund will be given at Boyes Springs. One of the headliners of the fine program will be Miss Angela Celeste Glinden, late member of the Scotti Opera Company, whose remarkable lyric soprano has been highly praised by critics.

Other numbers are to be Peggy Scott in interpretative dancing, Lester Turner, syncopated pianist, Maurice and Jerome, dance specialists, the Sunshine Trio, in beautiful melodies, the Little Genius, whistler of note, and other clever acts.

NOTICE

No trespassing, hunting or fishing allowed on our property.

SONOMA MAY GET GRAND COUNCIL U.O.R.M. NEXT YEAR

At Joint Installation of Sonoma Lodges Last Saturday Night Valley Received Very Favorable Mention as Next Meeting Place of Order.

Sonoma is being very favorably mentioned as the meeting place of the Grand Council of United Order of Redmen next year. Last year the tribes met at Santa Cruz and hundreds of delegates, members and visitors participated in the encampment. Grand officers, who were here last Saturday night for the joint installation of Sonoma and Bear Flag Stamms, declared that this would be an ideal place for the annual meeting and several declared that they would favor and boost the Encampment in Sonoma Valley for 1922. Among Sonoma's boosters is Grand President or Ober Chief Stahl of the Order. Mr Stahl owns a country home near Fetters Springs and will do all he can to land the big convention for Sonoma Valley.

The joint installation ceremonies in Odd Fellows' hall were most impressive. Sonoma Stamm of Redmen and Bear Flag Stamm, Daughters of Pocahontas, elected the following officers for the ensuing year: Past President, Mrs. Joost; President, Mrs. Randolph; First Vice, Mrs. F. Helberg; Second Vice, Mrs. Schwartz; Secretary, Mrs. Steiner; Treasurer, Mrs. Moebes; Marshal, Mrs. Abele; Inside Sentinel, Mrs. Groskopf; Outside Sentinel, Mrs Bill, Jr.; Trustees, Mesdames Keechler, Rehaag and Colli

Redmen—Past President, John Noller; President, Edmund Bacher; First Vice, G. Schuhmann; Second Vice, F. Helberg; Financial Secretary Abele; Corresponding Secretary, E. Schremppf; Treasurer, H. Lutgens; Warden, Muller; Inside Guard, D. Colli; Outside Guard, J. Kiser; Trustees, Joost, Engish and Heuer.

After the installation a banquet, to which over 150 members and guests sat down, was served in W. O. W. hall. There were many San Rafael members present from Marin and Tamalpais Stamms.

There were speeches by the Grand officers, including Messrs. Stahl, Brehn and Fuecher, by the outgoing and incoming presidents, and visitors from Marin county.

Mrs. Joost was presented with a handsome emblem and John Noller also received the past president's honorary gift. Mr. Schremppf was toastmaster and presided in a witty and capable manner. Henry Heurer of Benecia was a speaker of the evening, and Mrs. Randolph graciously acknowledged the new honor of incoming president.

After the speechmaking and many felicitations around the banquet tables, there was dancing and refreshments at I. O. O. F. hall. Delegates to the Grand Council this year are Henry Heurer, Wm. Steinkamp and Mr. Schremppf.

VISITOR FROM BALTIMORE FORMERLY WENT TO SCHOOL HERE

Mrs. Redall of Baltimore has been in Sonoma Valley during the past week, visiting old friends and looking at familiar and beloved places she knew when, as Bessie Tilton she attended school at Locust Grove, Scheilville. She found many old acquaintances and enjoyed her stay exceedingly. Mrs. Redall is quite as handsome a matron as she was a girl, and is prominent in the social circles of Maryland.

PROTECTION THAT DON'T PROTECT

THE EGG AND ALMOND industries for which California growers have been making loud appeal for protection have been surrounded with a protective tariff by the Republican congress which in reality is not sufficiently protective to protect. Congress seems to under value California as the producer of products which no other state in the union can yield and the consequent investments of millions which must be safeguarded from cheap foreign competition. Otherwise why utilize this western commonwealth and its wonderful natural advantages and develop splendid industries to be wrecked by inadequate arrangements of poorly informed or badly misled committees? California representatives are doing everything within their power to enlighten and influence their colleagues at Washington but many extraneous influences are at work, and it is plain that it takes more than a general declaration of a protective tariff to make schedules of any real value to farmers.

WHAT'S IN A NAME

"IT LOOKS BAD for beer but the chances are better for occasional sips of light wine," says a contemporary. We think the chances would be better if wine were not called wine. There is something in the name that makes it akin to the saxaphone and its influence in music. It was a beautiful name in its original significance and there is a depth and beauty in the word which makes it peculiarly worthy of poetic usage, but vulgar usage has dragged it into phrases such as 'wine,women and song,' which has been bandied about until wine to some means only license, lights and laxity. Those who know wine deeply, revere it, appreciate it and respect its usage.

However, if wine were called grape juice, fermented, and un-fermented, it might have a better chance in these days of misunderstanding and muddles to get by.

NOW IS THE TIME if ever for the civilized nations of the world to show their civilization by uniting on a plan of disarmament to assure world peace. President Harding no doubt realizes that with the memory of the infamy of recent war still fresh in the minds of men, there is much more liklihood of action to avert war than would be possible after a few years. Time blots out many things, even the shambles of the battlefield, and it is therefore plainly the task of America's president and his contemporaries to do now everything within their power to make impossible another calamity begot by powerful nations and their armies and navies. We must do more, however, than to exact promises of disarmament. We must be assured more than the minimum of battleships and arsenals. We must inculcate a spirit that will discourage diabolical hidden labratory warfare and determine penalties for such offenses that will be drastic and effective enough to deter the boldest offender.

THE RETIREMENT of Clayton Coffey from the ranks of Sonoma county journalists will be regretted by all of his contemporaries. Mr. Coffey had a high regard for the ethics of his profession and was a gentleman whose nineteen years of service to his community was marked by the greatest loyalty and devotion. He retires with the respect and esteem of friends throughout the county, and the Index-Tribune joins in wishing him one continual holiday, with all the priveleges and fishing trips and delightful detours for which he yearned when in the compelling harness of a printer-editor.

WILD WEST SHOW TODAY AND TOMORROW

To celebrate the opening of the Napa Valley highway, a two days' rodeo will be given at Trubody Station, between Napa and Yountville, Saturday and Sunday, July 16 and 17th.

The Millerick Brothers, who staged the recent round-up over the Fourth of July in Reno, and who will conduct the Salinas affair, have charge of the rodeo at Napa.

A real treat is in store for the spectators, as the best vaqueros and girl riders will participate in the round-up, including Miss Bertha Stadler, famous all-round cowgirl; Bob Arrickson, winner of the championship belt at Reno; Jack Kane, winner of the Sonora round-up; Jessie Stahl, the great colored bull-dogger; Ike Lavin, the Jewish comedian and trick rider; Ty Stoke, the colored cowboy clown; Shin Holder, winner of third money at Reno. In all there will be a troupe of twenty trick riders, who will stage a monster two and a half hours' rodeo.

There will be shown the famous bucking horses, Black Hand, Billie Sunday, Middletown, Srinch, Shimmie, Piute. Sometimes, Wildman, Yellow Hammer, Blue Hand Dr. Van, Fallon. Last but not least, should be mentioned the bucking cow, Milk Shake. Tom Millerick will give a prize of twenty dollars to any one who will be able to ride Milkshake without being thrown off.

A band will furnish a concert during the exhibition. Adv

JUDGE THOMPSON AND DAUGHTERS VISITORS HERE

Judge Rolfe Thompson of Santa Rosa, accompanied by his two daughters, motored down in their new Nash car over the last week-end and visited Sonoma friends.

The Thompsons joined Mr. and Mrs. Edgar Clements, Mr. and Mrs. George Lowell and Henry Weber, Jr., on a picnic to Green Valley Falls. Next month the Judge leaves for Seattle, where he will meet Mrs. Thompson, who is now visiting relatives in Minnesota. They will spend several weeks in the north.

William Trudgen and party of friends have returned from a camping trip to Bodega Bay.

SAN FRANCISCO FIREMAN MAKES WORTHY SUGGESTION

San Francisco, Calif., June 23, 1921.

Mr. Murphy, Editor Index-Tribune
Sonoma, Calif.

Dear Sir:—While spending my vacation this year at Boyes Springs, where I own my home, I was invited by Mr. George Cause, chief of the Boyes Springs Fire Department, to visit the fire house for the purpose of inspecting the new chemical engine, etc. I believe that said apparatus is all that could be desired, and sufficient to handle most any fire that is apt to occur in that locality.

I had the opportunity of responding to several alarms with the chief during the fifteen days that I was at the Springs, and I have no hesitancy in stating that the chief handled the apparatus in a satisfactory manner.

In view of the fact that the department is entirely volunteer, which necessitates the members being called away from their business, and at times ruining their clothing, I would suggest that some provisions be made whereby the members be paid by the hour for all working fires. The chief should receive a monthly salary in order that he may give as much of his time as possible to the department.

I would suggest that a bell be placed on the roof of the fire house for the sounding of all alarms, the same to be of such size as may be heard a considerable distance.

In writing to you I feel that you will give this matter your worthy consideration and endeavor to bring about whatever action may be necessary to improve the conditions of the department, and by so doing it will stimulate the interest of the members.

Yours very truly,
ALFRED DAVIS,
Battalion Chief S. F. F. D.

William Dwyer was visiting his brothers-in-law, Joe and Tom Ryan, last Sunday.

Mr. and Mrs Tony Peterson and a friend motored up from San Francisco last Saturday and were guests of Miss Catherine Laurenzi over Sunday.

Miss Marguerite Helberg, recent High School graduate, is to enter the Munson School, San Francisco, to train for a private secretaryship.

AGED MOTHER OF MRS. ERAZMUS HAS BAD FALL

Mrs. Erazmus has been much concerned over the condition of her aged mother, who had a bad fall Friday of last week. The old lady was moving a rocking chair on the porch of the Erazmus home and in turning made a misstep and fell down the front stairs. Mrs. Erazmus heard the fall and found her mother unconscious and bleeding. Dr. Hays was summoned and discovered that the sufferer had broken an arm and was badly bruised. She was suffering from shock and the effect of the fall due to her advanced age was apparent. Tender nursing and surgery, however, have been responsible for considerable improvement in the patient's condition the past week and reports from the Erazmus home are most encouraging.

Mr. and Mrs. Sufkey of Oakland, who have a traveling bird store and aviary, motored into town Monday with their many canaries, parrots, paroquets and toy poodles, and encamped in Sonoma's auto park for the night.

MODERN CRANKCASE CLEANING SERVICE

We use CALOL FLUSHING OIL AND ZEROLENE

How often should your crankcase be CLEANED?

Automobile manufacturers carefully recommend, in their Books of Instruction, *regular* draining and cleaning of the crankcase.

This is necessary because engine operation causes road dust, carbon, fine metal particles and other impurities to accumulate in your crankcase oil. This gritty oil circulates through your engine, impairs its performance and ultimately leads to rapid depreciation and repairs.

To meet this need, Modern Crankcase Cleaning Service has been established by first-class garages and other dealers, co-operating with the Standard Oil Company. These garages and dealers use Calol Flushing Oil,—the scientific agent that cleans out old oil, dirt, grit and other impurities, and does not impair the lubricating efficiency of fresh oil used. The cleaned crankcase is refilled with the correct grade of Zerolene.

Look for the garage or dealer displaying the sign shown above,—it means *"Better operation and longer engine life."*

VETERAN OF BOER WAR BUYS HOME HERE

Captain O'Connell of San Francisco, a veteran of the Boer war, South Africa, has decided to make Sonoma Valley his home. He purchased the Brown ranch in the hills above Agua Caliente and has moved on to the place with his wife and two children. The Captain has traveled widely and is delighted with Sonoma Valley. He bought the Brown ranch through the agency of L. Mouyer.

Miss Annie Laurenzi is again at Feather River Inn, where she is book keeper for the 1921 season.

FERRY SLIP LEASE ARRANGED BY GOLDEN GATE CO.

Following its policy of economy in the interests of the stockholders of Golden Gate Ferry Company, the directors of the corporation in special meeting Friday, July 8th, announced that a lease had been arranged with the Pacific Gas & Electric Company of San Francisco for the use of the ferry slip at the foot of Buchanan street, which was used during the exposition.

The use of this slip effects a tremendous saving in terminal rentals. The board feels that every precaution should be taken against unnecessary expense.

Captain Clem Randall, vicepresident of the board, states that more than one-fourth of the necessary funds to carry the project through has been subscribed and subscriptions are coming in satisfactorily, thus assuring reasonably early relief for the congested auto ferry conditions between San Francisco and Sausalito.

WAS TAKEN UNDER ADVISEMENT

The trial of the civil suit of Peter Matzen against A. Dunham of the Santa Rosa-Sonoma auto stage line for the collection of $250 for the destruction of a horse, took place in Judge Justi's court at Glen Ellen Friday afternoon of last week

Attorney F. J Burke of Santa Rosa represented Mr. Matzen and Attorney W. F. Cowan and Harold McAlpine of Santa Rosa represented Mr. Dunham.

Mr. Matzen some time ago was driving seventeen horses over a bridge near Glen Ellen, when one of the auto busses struck one of the horses. The horse was so badly injured that it had to be shot.

The case was taken under advisement by the court.

Mrs. D. Hatton has been entertaining a number of old friends and relatives, among them one of the former Nathanson sisters of a pioneer Sonoma family. The lady is now a grandmother and she has some of her grand-children with her for an outing at the home of her old friend.

HOW MUCH ARE WINE GRAPES TO BE WORTH?

Wine grapes are unquestionably worth whatever growers can get for them. Buyers insist that prices are set too high and that growers who hold on to their crop and refuse to accept reasonable offers will be out of luck. The money situation, depression in business, the large number of people out of employment, who will not be able to buy from the cars as they did last year, will diminish the demand and tend to make prices considerably lower. The grape shippers from European points to New York will make grapes from Europe cheaper than grapes from California say some.

H. F. Stoll in the California Grape Grower defends the price as established by the Association, but advises growers not to be too avaricious. He says:

"It is estimated that the wine grape crop will total about 250,000 tons, over half of which will be shipped outside the state. The question, therefore, arises as to what will become of the other 125,000 tons of wine grapes.

"Let us consider the various outlets—the wineries, the syrup plants, the grape juice establishments, the dehydrators and the manufacturers of other grape products.

"Last year, owing to the phenomenal prices secured for 'non-beverage' wines, the wineries were in the market for a considerable tonnage. There are in California wine cellars today about 15,000,000 gallons of dry wine and 5,000,000 gallons of sweet wine. It is predicted, therefore, that comparatively little wine will be made this year, so this avenue does not look particularly promising.

"As for the syrup manufacturers, they still have a large part of their stock unsold and state that at present prices for the raw material, they will not be in the market for many wine grapes.

"Grape juice has also been moving slowly, although the California Wine Association has disposed of most of its stock. In the annual statement issued in March, it was announced that 'the manufacture of the product on a large scale will be resumed as soon as the cost of grapes warrants so doing.' Whether the new board of directors will feel justified in buying grapes on a large scale at the opening prices remains to be seen, but we do know that they will as usual take care of the growers who have delivered to the association for a long period of years.

As for dehydration, there is a considerable surplus of black dried wine grapes on hand—both sun-dried and dehydrated—and with prices now ranging from 10 to 15 cents a pound, it is not probable that any quantity of wine grapes will be utilized for dehydrating purposes.

"There are no other established markets that will need any great tonnage of our fresh wine grapes, unless it be for color grapes, which are eagerly being sought for by manufacturers of jams, jellies, marmalades and other fruit juices. It is thought that all the Alicantes, Petit Bouschets, Grand Noir, Lenoir and other grapes with pronounced color juices will promptly sell at $90 per ton and even more, for the crop is short and the supply will not begin to meet the demand.

"The big market—on which everyone is banking—is the shipment of wine grapes to markets outside the state. While the depressed financial situation has made Eastern buyers hesitate, we believe conditions are improving every day and, before vintage time, we feel the buyers will realize that the prices fixed by the Exchange are reasonable and fair and that if they cannot pay those figures they will not get our grapes.

"We do not share the opinion expressed by Wiley Giffen that the home brew 'hobby' is passing. We think it has come to stay and we believe that the tighter the lid is shut down in New York and other large cities, the greater will be the demand for fruits which can be transformed into something palatable. There is no prohibition on the manufacture of fruit juices in the home and therefore, grapes and grape juices are bound to be big sellers, and the only economic laws that can apply will be those of 'supply and demand.' The supply of grapes is undoubtedly short here and in the Eastern States, where the grapes were also hit hard this spring. The demand will be large despite the money situation and the question of unemployment, for when people want things badly, it has been demonstrated that they will find a way to secure them.

"Personally, we do not look to see prices soar to any such figure as prevailed at the end of the season last year, and therefore we think the growers are making a grave mistake in holding off from selling in the hope that they will get peak prices later on. It seems to us that the sensible vineyardists will be those who arrange to dispose of their grapes at Exchange prices at the first good opportunity.

Chas. Kelly, United States Customs official, was up for the week-end at the home of her sister at Boyes Springs.

Mrs. Thos. Brown sailed for Los Angeles this week, where she will visit her son, Louis.

George Chase of San Francisco has been up on a visit to his parents.

Doctor and Mrs. Hirsch have been up from San Francisco, visiting at the Ralph Murphy home.

"My advice to the grape growers, therefore, is—**be content with fair prices and do not gamble with your crop up to the last minute**—for with conditions so different this year, you may be woefully disappointed if you hang on too long."

VINEBURG NEWS

The packing house at this point is now in full blast and is sure doing a good business, under the able management of Mr Henry Markt. Choice Sonoma Valley apples are being shipped daily and the experienced help are never idle. Mrs. Christierson highly compliments the fair lady packers and sorters for their good work and the interest they take in it.

Minnie Madden says that "Bone Dry Volstead" only told the truth once, and that is when he said:

"The sunshine lights the rosy East,
And it lights the Golden West;
But of all the shines that light the earth,
He likes the 'Moonshine' best."

EASY JIM.

Misses Madeline and Louise Mancict of San Francisco are the guests of Mr and Mrs. Louis Martin, during their vacation.

Miss Emily Batto returned home on Wednesday evening, after a pleasant week's visit to the metropolis, as the guest of friends.

Muller & Downey have just finished decorating and painting the interior of Mrs. Leona Batto's cosy residence at this place, in their usual artistic style, and all say it is "some class."

Mr. W. R. Hansen, who is at Burke Sanitarium, is getting along nicely and will soon be among us once again.

Mr. and Mrs. Grover C. Rubke and daughters, Thelma and Margaret, with a party, motored to Sacramento and Marysville on Sunday, in their Buick touring car, and report a very pleasant outing.

Mrs. A. F. Hopke visited in San Francisco on Monday and Wednesday last.

Miss Leola Forni, one of Vineburg's fairest daughters, has returned from Penn Grove, after a week's visit with relatives in that vicinity.

Mr. Louis Martin transacted business in the metropolis on Monday. Frank Allen says Louis went down to study politics. "Nothing doing," Louis knows all about politics now—nothing to study.

Mr. and Mrs. H. Schaffer have been here from San Joaquin county, and attended the installation of the Redmen here. Mr. Schaeffer was organizer of the local lodge.

Enforcement officers visited the Tavern Sunday and confiscated some choice goods belonging to the proprietor, Louis Parente.

NOTICE OF ALIEN REGISTRATION

By the terms of the Alien Poll Tax Law, every alien male inhabitant of this state over 21 years of age and under 60 years of age, except paupers, idiots and insane persons, must annually pay a poll tax of ten dollars; on or before July 31st, 1921, every person liable for said tax is required to register with the registration clerk of the school district wherein said alien resides, or wherein he may be employed and temporarily domiciled during the period of registration.

That the provisions of this law may be generally called to the attention of those persons coming under its operation, every citizen of Sonoma county knowing any alien who should register as aforesaid, is requested to direct said alien's attention to the law and assist him in any reasonable way.

The poll tax is not collectible at time of registration and should not be paid to registration deputy.

It will be collected later by the County Assessor.

More detailed explanation can be obtained from the office of the County Clerk.

W. W. FELT, Jr.,
County Clerk.

Notice of Intention to Purchase Real Estate For the Use and Benefit of the County of Sonoma.

NOTICE IS HEREBY GIVEN by the Board of Supervisors of Sonoma County of their intention to purchase and acquire for the use and benefit of Sonoma County the real property hereinafter described.

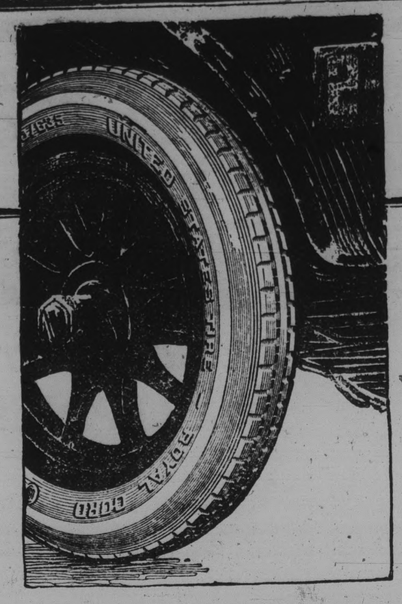
That said Board intends to pay therefor, in the name of and for Sonoma County, the sum of Fifteen Hundred Dollars, and that the said Board proposes to purchase said real estate from John P. Serres and Franklin Watriss, Agua Caliente, Cal.

That 10:30 o'clock a. m. on the 9th day of August, 1921, at the rooms of the Board of Supervisors, in the Court House, in the City of Santa Rosa, Sonoma County, California, that day being a regular meeting day of said Board, has been fixed as the time and place when and where said Board will meet to consummate such purchase.

The lands and premises proposed to be purchased are described as follows: Lots Nos. 7, 8, 9, 10, in Block 45, of the Town of El Verano, as numbered and designated upon the map of the Town of El Verano, recorded in Book 5 of Maps, Page 10, Sonoma County Records.

This notice is given by order of the Board of Supervisors, duly made on the 13th day of July, 1921.

W. W. FELT, Jr.,
County Clerk.

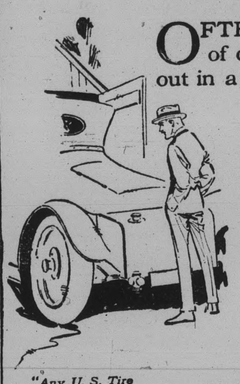


THE U. S. ROYAL CORD

A famous tire—and a famous tread. Acknowledged among motorists and dealers alike as the world's foremost example of Cord tire building. Always delivering the same repeated economy, tire after tire, and season after season.

The stripe around the sidewall is registered as a trade-mark in the U. S. Patent Office.

How you can measure tire value in 1921 —



"Any U. S. Tire is a universal full-money's worth."

OFTEN it's surprising the number of different tire views that come out in a chance talk at the curb or in the leisure of a friend's garage.

Almost every day you come across the man human enough to believe he can outguess the cut-price tag on "job-lots," "discontinued lines" and "surplus stocks."

His opposite is the hard-pan car owner who sticks year in and year out to a *standard* brand as the only *rational economy*.

* * *

Many will remember the scarcity of U. S. Tires last year.

A hardship at the time, but a benefit now. There are no U. S. Tires to be worked off—no accumulations—no *forced* selling of any U. S. brand—no shipping of tires from one part of the country to another to "find a market."

* * *

There are 92 U.S. Factory Branches. Each one gets its share of U. S. Tires. There is a broad, constant, even distribution of U. S. Tires always going on from these Branches to the dealer.

Buy a U. S. Tire anywhere—in a community of 500 people or even less—and you get a *fresh, live* tire of *current* production—with all the original service and mileage the factory put into it.

The owner of a medium or light-weight car stands on equal ground with every other car owner.

Any United States Tire is a universal full money's worth—backed up with a leadership policy of *equal* quality, buying convenience and price for *everybody*.

"The different tire views that come out in a chance talk."
